STARS
PERFORMANCE
PROGRAM

UDA South Jordan Location Only * No Audition Required

The UDA STARS Performance Program is for dancers in Kindergarten through 6th grades.

This program is designed to give dancers additional experience in artistic development, performance, accountability and responsibility.

STARS is divided into four groups, each focusing on the genre of ballet and/or jazz:

KINDER – Kindergarten

PETITE – 1st & 2nd Grade

MINI – 3rd & 4th Grade

JUNIOR – 5th & 6th Grade

**There must be a minimum of 8 dancers to create a STARS group. We reserve the right to move a dancer to a group outside their grade level, depending on enrollment numbers.*

COMMUNITY PERFORMANCES & OPPORTUNITIES

Performance dates will be provided as they are available. STARS members are required to participate in the following performances:

- An original Christmas Production, “*T’was the Night Before Christmas*” at The Festival of Trees, Dicken’s Festival, Carrington Court and Holiday Magic
- A recital number, which will be performed at various community events, "Starry Night", as well as the UDA Spring Recital.

STARS YEARLY PROGRAM FEE: \$378

- \$378 is amortized over nine months at \$42 per month from September through May. This is in addition to regular UDA tuition.
- Program Fee includes Christmas costume, spring recital costume, choreography fees, holiday performance fee, manager and director fees.
- Program Fee does not include technical program tuition and fees, team jacket, garment bag, contingency fee, nude leotard, dance shoes and tights. **STARS dancers will receive tights at a discounted rate to go with Christmas and spring recital costumes*

REQUIRED TECHNICAL CLASSES/TUITION FEES FALL 2018 - SPRING 2019

- Days and times of technical classes will be available online Monday, May 7, 2018.
- A \$30 non-refundable registration fee is applied to all students who enroll in technical classes.
- The cost of monthly tuition is figured by using the UDA Tuition Scale (included in this information).
- STARS dancers are required to take the correct STARS choreography/performance class for their age group and the paired ballet recital and technique classes (if enrolling in STARS Ballet) or jazz recital and turns and leaps classes (if enrolling in STARS Jazz).
- Monthly tuition is due on the first business day of each month from September - May. August and June are half months and paid together as a full month tuition upon fall registration.
- Accounts will be charged a \$100 recital fee with October tuition. This fee covers recital participation, four complimentary tickets, and professional HD files of all UDA end-of-year performances.

SPECIAL NOTE

Participation in both ballet and jazz genres is highly encouraged, as it allows your dancer to perform in two dances at each performance. The following special allowance is given to dancers who participate in both genres of the STARS program: dancers will be required to take both the ballet recital and technique classes, but will have the choice of taking either the jazz recital or jazz turns and leaps technique class.

ADDITIONAL REQUIREMENTS AND FEES

- A \$65 team jacket fee will be charged on November 1, 2018 to all new STARS dancers. Every three years a new jacket will be purchased- this will be year #2.
- A contingency fee of \$25 will be collected upon registering for STARS. This \$25 sits in an account to use, if needed, during the dance year. Money not used will be credited back to accounts May 1, 2019. This provides a “cushion” for any unplanned expenses that may arise, ensuring all yearly payments can be laid out for the year.
- Withdrawing from the STARS program before the dance season ends will require a \$30.00 withdrawal fee and the payment of all remaining program fees.

HOW TO ENROLL

- Complete a STARS commitment form at the UDA Customer Care office.
- Pay a \$30 non-refundable commitment fee and \$25 contingency fee.
**A description of the contingency fee is listed under the section “Additional Requirements and Fees”.*
- Priority registration for fall session is available to dancers who enroll in STARS by June 15, 2018.
**Priority registration is Monday, June 18th and Tuesday, June 19th.*

On Tuesday, April 24, 2018 at 7:00 pm, a parent information meeting will be held at the UDA South Jordan Studio. This meeting will provide information about the STARS program and the opportunity to meet the program directors and manager and have questions answered.

A mandatory parent and dancer welcome meeting will be held Wednesday, August 15th at 7:00 pm at the South Jordan studio to jump start the year. At this meeting, dancers will be measured for their jackets and parents will receive important yearly information.
